Bulletin 2017-2

TO: Companies Authorized by the Commissioner of Insurance to Offer Professional Liability Insurance to Kansas Health Care Providers

FROM: Charles L. Wheelen, Executive Director, Health Care Stabilization Fund

DATE: August 4, 2017

SUBJECT: Calendar Year 2018 HCSF Surcharge Rates and Related Information

The Health Care Stabilization Fund Board of Governors has decided to revise HCSF surcharge rates effective January 1, 2018. Because of favorable loss experience, surcharge rates for some classification groups will be lower in 2018. The following information remains important for successful completion of pertinent documents.

A. HCSF Class Groups for Chiropractors, Nurse Anesthetists, Physicians, and Podiatrists: Insurers are to identify the HCSF rate classification number for each health care provider based on his or her profession and medical specialty as described on pages 4 – 5 of the instructions. The classification number of the individual health care provider will determine the corresponding HCSF classification group. There are detailed instructions on pages 6 – 7 for health care providers who are in HCSF classification group 3. General descriptions of each group can be found on page 8 of the instructions.

B. Annual Surcharge Rate Tables for Fund Class Groups 1 through 24: Insurers must utilize the HCSF surcharge rate tables appended to this bulletin for purposes of determining the surcharge payment for health care providers issued basic professional liability insurance policies with effective dates on or after January 1, 2018.

C. Notice of Termination: The provisions of K.S.A. 40-3402(a)(2) require that notice of termination be provided to the HCSF Board of Governors 30 days prior to the cancellation date if the termination is initiated by the insurer. If instead the cancellation is initiated by the insured health care provider, the notice of termination must be provided to the HCSF Board of Governors within ten days after termination of coverage. For a number of reasons, there are occasions when a health care provider requests cancellation of an insurance policy and immediately purchases another policy. A typical example is when a health care provider changes employers and the new employer agrees to make payment for professional liability insurance. (Continued on page 2)

BOARD OF GOVERNORS

Harold M. Chalker, D.C.
Joel M. Feder, D.O.
Kiley A. Floyd
Jeffery W. Glasgow, C.R.N.A.

Jimmie A. Gleason, M.D., Chairman
John W. Mize, J.D., Vice-Chairman

Kevin D. McFarland
Steven R. Short, D.O.
Travis W. Stembridge, M.D.
Robert N. Wright, M.B.A., C.P.A.

Because K.S.A. 40-3402(a)(1) allows a 30 day period for submission of the notice of basic coverage, there is often a period of about 20 days when it appears that a health care provider is not in compliance with K.S.A. 40-3402. This invokes the provisions of K.S.A. 40-3416 which require the HCSF Board of Governors to make a report to the state agency that licenses the health care provider and also requires the licensing agency to investigate. The HCSF staff endeavors to avoid reports to the licensing agencies whenever possible.

If it is known that a health care provider will be purchasing another professional liability insurance policy upon cancellation of existing coverage, please inform the HCSF Board of Governors in the notice of cancellation. Your assistance will be appreciated.
